## Description

After the release of "the world that was surrounded..." and works for Dog Eared Netlabel, Noise Joy, Mandorla and audiotalaia, Ryonkt comes up with the majestic 17-minute track "gray sky".

Compared to the melody-driven, minimal-folk orientated "the world that was surrounded..."-release, "gray sky" is a dense and very continuous ambient-drone work. A warm and thick sound-planket, consisting of minimal tone-variations and shiftings, surrounds you and flows around between your ears.

Let yourself sink into this intense track and enjoy.
